Dear WMA Parents,

This year our High school students are producing the **yearbook** completely in-house. From the taking of photos to page layouts and design, the entire book is being done by our students. This has been an amazing opportunity for our students to express creativity while using industry standard tools and equipment.

With this in mind, our annual school photos are being handled a bit differently. We took our ID photos last October and debuted a fresh new design for our ID cards. We will be taking our **Spring pictures** on **March 27th**. These will be available for purchase. The **March 27th** photos will be the images featured on the portrait pages of this year's yearbook. A purchase does not need to be made for your child's photo to be included in the book. Pricing information and order forms will be sent home in the coming weeks.

As is customary, we have AD space available for sale. Thank you to those of you who have already purchased AD space for your business or graduate. There is still time to secure AD space. The deadline for this is **February 28th**.

This is a new system and process for us, and we thank you for your patience and understanding. For questions, please email yearbook@wmaeagles.org. Thank you, Desktop Publishing Staff

Celebrating School Choice Week!

Go Eagles!

Walker Memorial Academy athletes joined Southwestern Adventist University 27th Hoops Classic Tournament in Keene, TX this past weekend. It is the largest high school basketball tournament in the North American Division of SDA, welcoming over 21 schools spanning from California to Massachusetts. Our athletes had the opportunity to develop Christ-like character through a quality athletic program, promote the concept of teamwork and fair play, and connect with other athletes in the NAD. Our athletes exemplified humbleness in victory and graciousness in defeat.
