Walker Memorial Academy is excited to offer a **Student Referral Incentive** to thank our families, staff, alumni, and community members for sharing the WMA experience with others.

How It Works

- Refer a **new student** to Walker Memorial Academy
- Be sure your name is listed on the student's application **at the time it is submitted**
- Once the student enrolls and attends WMA, you may earn **up to \$500 per student**

Referral Award Details

- The \$500 referral award is paid in **four quarterly installments of \$125**
- Each quarterly payment is issued once the referred student remains enrolled through the **third Monday of that quarter**

Important Guidelines

- The referral must be listed on the application when first submitted
- Only one referrer may be named per student
- The student must be new to WMA and fully enrolled
- Awards are issued per student and are non-transferable
- Certain exclusions apply (see full policy for details)
